

## Sleeping Bear Dunes National Lakeshore

# STUDENT SNOWSHOE EXPERIENCE

## Program Application

Thank you for your interest in attending a ranger-led snowshoe experience at Sleeping Bear Dunes National Lakeshore! We can't wait for you to get here.

But first, we need you to complete this application and email to [lisa\\_griebel@nps.gov](mailto:lisa_griebel@nps.gov). We are scheduling reservations on a first come first serve basis, and our funding covers transportation costs only. By applying for a field trip, you agree to do pre-visit activities in your classroom,

attend the onsite ranger-led snowshoe hike, complete a post visit wrap-up activity, and provide feedback about your experience. This project was made possible by a grant from the National Park Foundation through the generous support of Disney.
